

Offset Your CO2 Emissions

Be part of the change and join our CO² emissions offsetting program!

As a participant of CORA 2025, you have the opportunity to make a difference in the fight against climate change by offsetting the CO2 emissions generated during your trip.

Powered by the Thrust Carbon CO2 initiative, our user-friendly platform enables you to offset your individualized carbon footprint from your travel, meetings, accommodation, and more, as well as choose how your carbon offsetting will improve social and environmental conditions. Further, you will receive a confirmation from Thrust Carbon accrediting your carbon-neutral status and acknowledging your dedication to reducing emissions.

How to carbon offset

- 1

Access

The easy-to-use platform
<https://kenes-group.thrustcarbon.shop>

- 2

Enter

Your plans, including travel method and distance, meetings and accommodation

- 3

Calculate

Your carbon emissions and receive offsetting suggestions

- 4

Choose

Your carbon offsetting project and make a contribution

- 5

Receive

Your Thrust Carbon confirmation, certifying your carbon-neutral status

All projects are verified by one of the Gold Standard, Verified Carbon Standard, Woodland Carbon Code, or American Carbon Registry.

Thank you for being proactive in combating climate change. Together, we can meet internationally to advance human knowledge while creating a more sustainable future for all.
