

## Guidelines for Case Presenters in Curbside Consult Sessions

### SESSION OUTLINE

The time allotted for Curbside Consult sessions 01 & 02 is **40 minutes**, and for sessions 03 & 04 – **45 minutes**, divided into:

- 35 min Case presentation & questions from the case presenter to the panel of discussants
- 5-10 min Questions from the audience and further discussion

On stage, the case presenter is kindly requested to stand behind the lectern for the duration of the session. The discussants will be seated at a head table. Please note, the discussants will not use slides. Guidelines for Curbside Consult session discussants are available [here](#).

### BEFORE AND DURING THE SESSION

- Please refer to your session schedule via the CORA 2023 mobile app or [interactive program](#).
- Please arrive at the session hall about **5-10 minutes** before the session start.
- At the beginning of the session, please ask the audience to take their seats and encourage them to take front and center seating. Ask them to silence any mobile devices, and refrain from photographing/recording the session.
- Please introduce yourself and the three discussants (information will be provided on the lectern), then begin your presentation. During the presentation, please ask questions directly to the discussants and engage them in a discussion.
- As a presenter, you are welcome to engage the audience even during the discussion with the discussants/experts. For example, you could ask the audience to lift either a green or a red card (cards will be available in the session halls) to show if they agree or disagree with a discussant, and then comment on the result.
- In the last 5-10 minutes of the session, please turn to the audience to encourage them to ask questions.
- Please follow the schedule closely to not exceed the allocated time for the session.

### POWERPOINT PRESENTATION GUIDELINES

In compliance with CME/CPD requirements, all speakers and oral presenters are requested either to disclose any conflicts of interest or to include in their presentation a statement that they have none.

- The **first slide** of your presentation must be **your name and presentation title**.
- The **second slide** should be the **disclosure slide**. If you have nothing to disclose, please add “No Disclosures”. You can download a template [HERE](#).
- We recommend that you label all slides that include unpublished data with a title: “UNPUBLISHED DATA - DO NOT COPY OR DISTRIBUTE”.

### PRESENTATION LAYOUT AND RATIO

- **Format:** Your presentation should be prepared in .PPT or .PPTX format.\*  
*\*If you are a MAC user, please convert your presentation to .PPTX or save it as a .PDF file. Please also make sure to use common fonts such as Arial or Calibri and images only in .JPG/.JPEG format.*
- **Ratio:** Please note that the Congress computers in the session halls are supplied with Office 2019 (at least) and the native ratio of the projection on the screens in the halls is 16:9.
- Information on [how to change the ratio](#) of your slides, as well as [further tips for presentation](#) are available on the [Congress website](#).

### ONSITE PRESENTATION SLIDE UPLOAD

- Please bring your slides to the **Speaker Ready Room (SRR)** on a **USB stick**.
- You are kindly requested to only use the Congress computers in the session halls for presentation purposes. The Congress will not be able to support slides presented on personal computers.
- Please upload your finalized presentation slides in the SRR as soon as you arrive at the venue in the morning or **at least 1 hour before the start of your session**.
- If you combine video clips with PowerPoint, please make sure to bring the slides to the SRR during a longer break prior to your session and **at least 2 hours before the start of the session**.  
In the SRR, a technician will assist you in checking whether the sound and picture from the video are transmitted well. Please make sure to repeat the test again during the break before your session in the session hall at the AV table to avoid technical issues during the presentation.
