Guidelines for E-Poster Presenters in E-Poster Discussion & Regular E-Poster Sessions

SESSION OUTLINE

- E-Poster sessions take place in front of the **E-Poster stations** (screens) in Exhibition. Before your session, please check the program via the **congress app** (**Posters tab**) to confirm which station you are assigned to as well as the exact date and time of your session.
- Microphones for the moderators and speakers, as well as headsets for the audience will be available for better sound distribution.
- Each presenter has **6 minutes in E-Poster Discussion sessions** and **5 minutes in regular E-Poster sessions**. This includes both time for presentation (3-4 minutes) and Q&A time (1-2 minutes).
- Presenters will talk in front of their E-Posters (3 pages for Discussion sessions and 1 page for regular E-Poster sessions) that they uploaded to the CORA 2025 E-Poster Gallery. Before the session, the E-Poster stations will be prepared to show on screen the presentations in your session.
