

Guidelines for Speakers in Scientific Sessions

SESSION OUTLINE

- The time allotted for the session is **60 minutes**.
- The first row of the hall is reserved for the speakers.
- The chairperson will be seated at the head table on the stage and will introduce and welcome each speaker to come up to the lectern when it is their turn to present.
- Each speaker has **15-17 minutes for their presentation** followed by **3-5 minutes for a Q&A** from the audience moderated by the chairperson.
- After each presentation, the speaker is kindly requested to take their seat in the audience so the next speaker can come up to the lectern.

POWERPOINT PRESENTATION GUIDELINES

In compliance with CME/CPD requirements, all speakers and oral presenters are requested either to disclose any conflicts of interest or to include in their presentation a statement that they have none.

- The **first slide** of your presentation must be **your name and presentation title**.
- The **second slide** should be the **disclosure slide**. If you have nothing to disclose, please add “No Disclosures”. You can download a template [HERE](#).
- We recommend that you label all slides that include unpublished data with a title: “UNPUBLISHED DATA – DO NOT COPY OR DISTRIBUTE”.

PRESENTATION LAYOUT AND RATIO

- **Format:** Your presentation should be prepared in .PPT or .PPTX format.*
**If you are a MAC user, please convert your presentation to .PPTX or save it as a .PDF file. Please also make sure to use common fonts such as Arial or Calibri and images only in .JPG/JPEG format.*
- **Ratio:** Please note that the congress computers in the session halls are supplied with Office 2019 (at least) and the native ratio of the projection on the screens in the halls is 16:9.
- Information on [how to change the ratio](#) of your slides, as well as [further tips for presentation](#) are available on the [congress website](#).

ONSITE PRESENTATION SLIDE UPLOAD

- Please bring your slides to the **Speaker Ready Room (SRR)** on a **USB stick**.
- You are kindly requested to only use the congress computers in the session halls for presentation purposes. The congress will not be able to support slides presented on personal computers.
- Please upload your finalized presentation slides in the SRR as soon as you arrive at the venue in the morning or **at least 1 hour before the start of your session**.
- If you combine video clips with PowerPoint, please make sure to bring the slides to the SRR during a longer break prior to your session and at least **2 hours before the start of the session**.
In the SRR, a technician will assist you in checking whether the sound and picture from the video are transmitted well. Please make sure to repeat the test again during the break before your session in the session hall at the AV table to avoid technical issues during the presentation.
